

CEPPI FRENO POLINI FOR RACE

Sicurezza e affidabilità

Progettati con materiali di alta qualità e una meticolosa attenzione ai dettagli, i [ceppi freno Polini For Race](#) offrono alte prestazioni e massima affidabilità sia per uso stradale che per uso in pista.

Questi ceppi freno sono disponibili in diversi modelli appositamente progettati per adattarsi a una vasta gamma di motocicli, inclusi ciclomotori, scooter e Vespa.

Caratteristiche principali:

- **Massima potenza frenante:** grazie alla loro progettazione avanzata, i [ceppi freno Polini For Race](#) offrono una potenza frenante superiore rispetto agli originali grazie ad una miscela d'attrito appositamente preparata.
- **Affidabilità senza compromessi:** la qualità dei materiali e la precisione della lavorazione garantiscono prestazioni costanti anche nelle condizioni più estreme.
- **Versatilità:** i [ceppi freno Polini For Race](#) sono progettati per adattarsi a una vasta gamma di veicoli e applicazioni.

POLINI BRAKE SHOES FOR RACE

Safety and reliability

Developed with high quality materials and a meticulous attention to details, [Polini brake shoes](#) For Race provide high performance and maximum reliability, both for road and track use.

These brake shoes are available in different models, specifically designed to fit a wide range of motorcycles, mopeds, scooters and Vespa.

Main features:

- **Maximum braking power:** thanks to their advanced planning, [Polini brake shoes](#) For Race provide a superior braking power if compared to the original ones, thanks to a friction compound specifically prepared.
- **Reliability without compromises:** the quality of the materials and the precision of the processing guarantee constant performance even in the most extreme conditions.
- **Versatility:** [Polini brake shoes](#) For Race are designed to fit a wide range of vehicles and applications.

MACHOIRES DE FREIN POLINI FOR RACE

Sureté et fiabilité

Projetés avec matériaux de haute qualité et une attention minutieuse aux détails, les [mâchoires de frein Polini](#) For Race offrent des hautes prestations et une fiabilité maximum soit pour usage routier, soit pour usage sur piste.

Ils sont disponibles en différents modèles, projetés exprès pour s'adapter à une vaste gamme de motocycles, cyclomoteurs, scooters et Vespa.

Caractéristiques principales :

- **Puissance de freinage maximum** : grâce à leur conception avancée, les [mâchoires de frein Polini](#) For Race offrent une puissance de freinage supérieure par rapport à ceux d'origine, grâce à un mélange de friction préparé spécifiquement.
- **Fiabilité sans compromis** : la qualité des matériaux et la précision de l'usinage garantissent des prestations constantes, même dans les conditions les plus extrêmes.
- **Versatilité** : les [mâchoires de frein Polini](#) For Race sont projetés pour s'adapter à une vaste gamme de véhicules et applications.
